SPHE

Things to be happy about.

Aim: Begin to be sensitive to the feelings of others and to realise that the actions of one individual can affect the feelings of another.

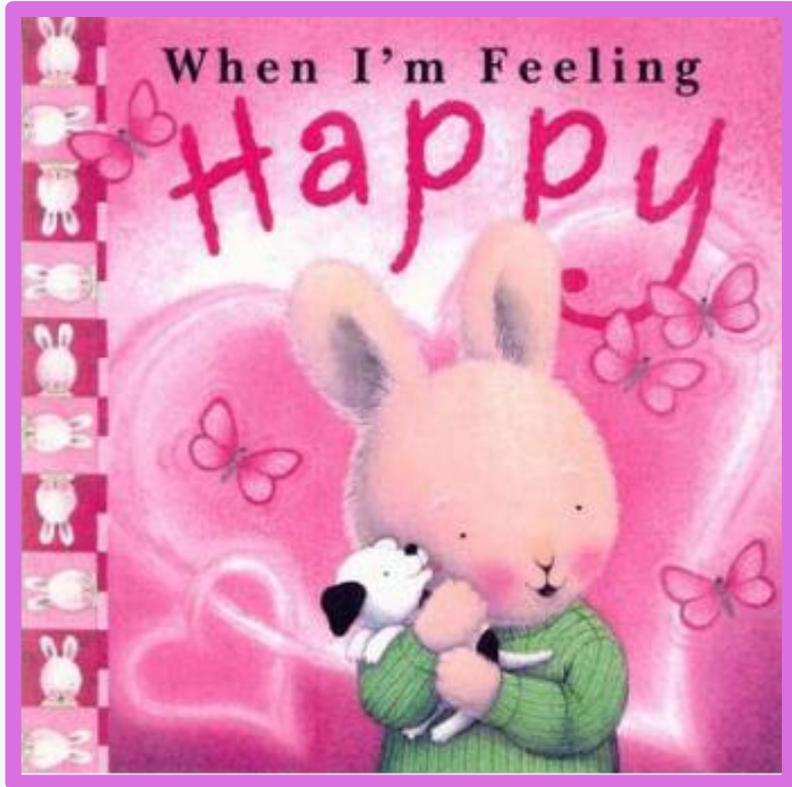

*This week I want you to think about things that make you **happy** 😊*

There are lots of things that make me happy for example going for a walk with my friend and when my auntie comes to visit.

- *What about you? Finish the sentence –
I feel happy when.....*
- *Tell me about a time someone done something that made you feel happy?*

When I'm feeling happy.

- Click the link below to listen to this happy story.
- As you listen have a think about all the people and things that make you **happy**
Enjoy

What makes you happy?

- I want you to get a sheet of paper and draw and write about things and people that make you feel **happy**. You can do it like this one if you wish or better still do your own design.

Something extra to think about...

- You have done great thinking about all the people and things that make you happy.

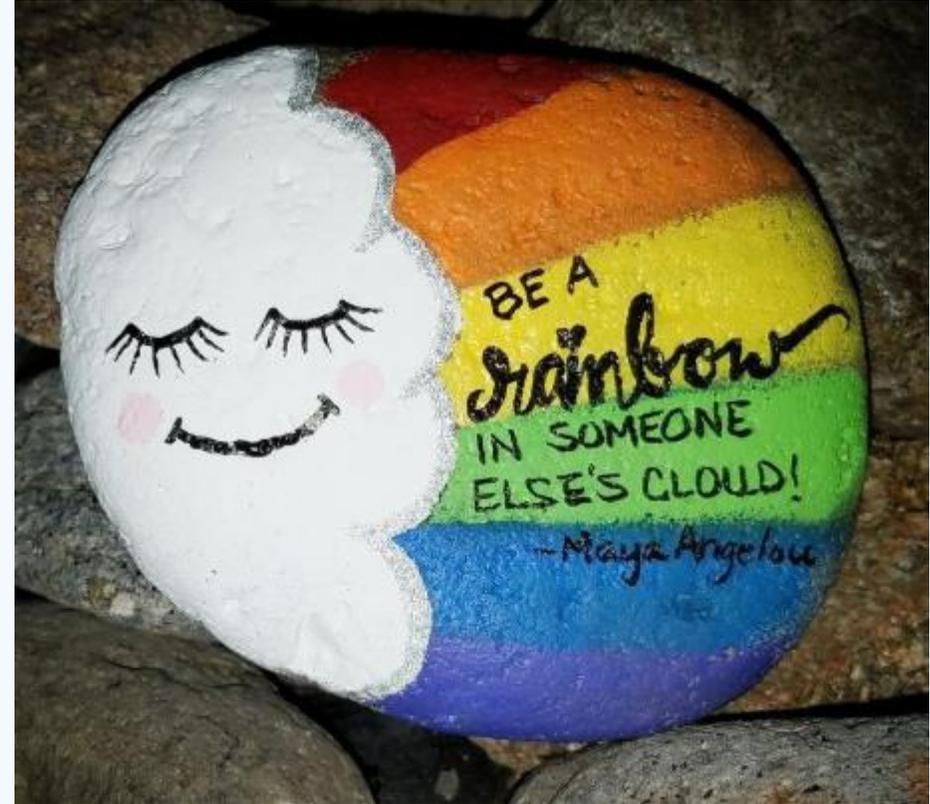

- ❖ Now think about how you can make your family **happy**?
- ❖ What can you do for your family?
 - Could you use kind words & nice behaviour?
 - Could you help your family with chores?

Art

Happy Rock Painting

- We have just talked about all the lovely things and people that make us **happy** -
Now I want you to do something to make other people **happy** 😊
- We are going to paint rocks with **HAPPY** pictures and **messages**.

Happy Rocks

- Once you have painted your **Happy Rock** you can put it in your garden for your family to see.
- You can also place them somewhere like your front garden for others to see, in the park, on the window.
- They make other people very **happy** when we see them.

Happy rocks

- Here are some from other children that I saw when I was on my walk today.
- They cheered me up 😊

Time to get creative 😊

1. Find a small rock from the garden or the park
2. You can use paint or markers.
3. Decide what you want to draw/paint on it

Tip: It's a good idea to draw and paint/colour it on some paper first before you do it on the rock.

4. GO!

*Remember to send us a photo
of your
Happy Rock*

Have fun ☺

A vibrant, stylized illustration of a landscape. The foreground features rolling green hills in various shades of green, with a dark brown path winding through them. On the left, there is a green tree with rounded foliage, a purple flower with a pink center, and a cluster of orange flowers. A small red and orange bird is flying in the sky above the tree. The background consists of a white sky with horizontal, wavy bands of light blue and dark blue. The word "Music" is written in a purple, cursive font, underlined with a thick purple line.

May is the month of Mary

Our Lady of Lourdes

In 1858, Mother Mary appeared to St. Bernadette, a little girl in Lourdes, France. A miraculous spring appeared at a place shown by Our Lady and other miracles began to happen. She appeared to Bernadette 18 times, asking people to turn back to God and pray for sinners. Her feast day is on 11 February.
