

SECOND CLASS MATHS

4TH - 12TH JUNE

- This week there is no work planned for Monday, Tuesday & Wednesday because you deserve the break!
- This powerpoint includes work for next week as well.
- Remember to try your best and don't worry if you can't do everything!
- Did you see the special video on the school website yet? If not click here to take a look: [Video](#)

You will need:

- A copy or paper
- A pencil
- A ruler and a rubber.

THURSDAY

Let's start the day with a game! Click the link below:

[Click here for hundred hunt game](#)

The website should look like this.
Try any of the games or all of them!

THURSDAY

Days of Sunshine Pictograph

Each  is worth 2 days.

1. How many days of sunshine did each month have?
2. How many days of sunshine did June and July have altogether?
3. How many more days of sunshine did August have than May?
4. If March had 20 days of sunshine, how many suns would be drawn on the pictogram?

THURSDAY

Take down each pattern into your copy and finish it!

FRIDAY

Let's start the day with a game! Click the link below:

[Click here for double game](#)

First click on the button that says Doubles.

Now click on Doubles to 10.

Try some of the other games too if you'd like!

FRIDAY

Saoirse carried out a survey in her class to find out their favourite colours.

1. Which colour was the most popular?
2. Which colour was the least popular?
3. Which three colours got the same result?
4. How many children are in Saoirse's class?
5. How many children voted for the four most popular colours?
6. How many children voted for the three least popular colours?
7. What is the difference between the most popular and the least popular colour?

FRIDAY

Take down each number pattern into your copy and fill in the blanks!

- | | | | | | | |
|----|----|----|----|----|----|----|
| 1. | 2 | 4 | 6 | 8 | | 12 |
| 2. | 3 | 5 | 7 | | | 13 |
| 3. | 8 | 11 | | 17 | 20 | |
| 4. | 18 | 15 | | | 6 | 3 |
| 5. | 75 | 72 | | | 63 | 60 |
| 6. | 88 | 77 | 66 | | | 33 |
| 7. | 9 | 13 | 9 | | 9 | 13 |
| 8. | 17 | 18 | 6 | | 18 | 6 |

MONDAY

This week we would have had sports day!

For today's maths work we are going to do some fun sports challenges!

Did you know that we use lots of maths during sports?

You might notice that we use things like numbers, counting and time.

MONDAY

Can you beat Ms. Troy in these sports challenges?

You can find an online timer here: [Click for timer](#)

Challenge 1

How many jumping jacks can you do in 30 seconds?

Ms Troy got: 23 jumping jacks

Challenge 2

Throw a ball in the air. How many times can you clap before catching it?

Ms Troy got: 4 claps

Challenge 3

Using a skipping rope how many skips can you do in 20 seconds?

Ms. Troy got: 22 skips

MONDAY

Challenge 4

How long can you stand on your tiptoes for without moving?

Ms. Troy got: 43 seconds

Challenge 5

How many times can you touch the floor with your hand and jump up to reach the sky in 20 seconds?

Ms. Troy got: 12 jumps

Challenge 6

How long can you stand on one foot with your hands by your side?

Ms. Troy got: 1 minute 8 seconds

Challenge 7

Stand at the bottom of some stairs or a step. How many times can you toe tap the first step in 20 seconds?

Ms Troy got: 28 toe taps

MONDAY

Spell out your full name
(First name and surname)
and complete the activity
listed for each letter!

Ask your family members to
try their names too!

Can you guess Ms. Troy's
first name?

She balanced on her right
foot for 10 seconds, walked
like a bear for 5 seconds,
picked up a ball without
using her hands twice and
then walked on her knees
for 10 seconds!

A jump up & down 10 times

B spin around in a circle 5 times

C hop on one foot 5 times

D run to the nearest door
and run back

E walk like a bear
for a count of 5

F do 3 cartwheels

G do 10 jumping jacks

H hop like a frog 8 times

I balance on your left foot
for a count of 10

J balance on your right foot
for a count of 10

K march like a toy soldier
for a count of 12

L pretend to jump rope
for a count of 20

M do 3 somersaults

N pick up a ball without
using your hands

O walk backwards 50 steps
and skip back

P walk sideways 20 steps
and hop back

Q crawl like a crab
for a count of 10

R walk like a bear
for a count of 5

S bend down and touch your
toes 20 times

T pretend to pedal a bike with
your hands for a count of 17

U roll a ball using only
your head

V flap your arms like a bird
25 times

W pretend to ride a horse
for a count of 15

X try and touch the clouds
for a count of 15

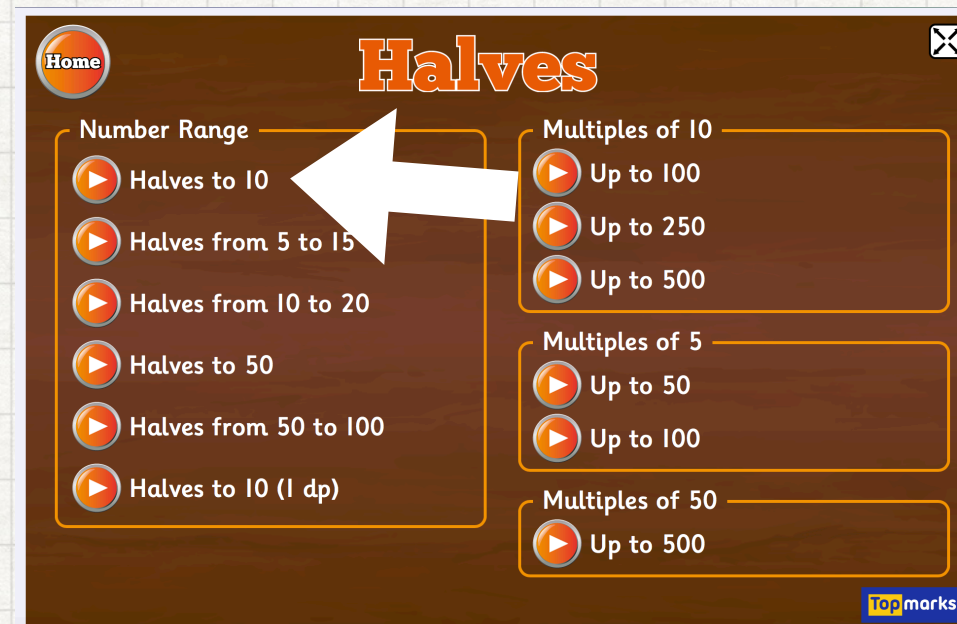

Y walk on your knees
for a count of 10

Z do 10 push-ups

TUESDAY

Let's start the day with a game! Click the link below:

[Click here for halves game](#)

First click on the button that says *Halves*.

Now click on *Halves to 10*.

Try some of the other games too if you'd like!

TUESDAY

1. How many people were questioned in this survey altogether?
2. Which is the most popular fruit?
3. Which two fruits got the same result?
4. How many people voted for peaches?
5. How many people voted for apple, bananas and melons altogether?
6. If 5 people voted for kiwis how many faces would be drawn?

TUESDAY

1	2	3 	4	5 	6
7	8	9 	10	11	12
13 	14	15	16 	17 	18
19	20	21 	22	23 	24
25	26 	27	28	29 	30

For all of the questions start on square 1! Write down what you find.

1. Right 1, down 4.
2. Down 3, right 3, up 1.
3. Right 5, down 3, left 1.
4. Right 3, down 2, left 3.
5. Down 4, right 4.
6. Down 1, right 5, up 1, left 3.

WEDNESDAY

Let's start the day with a game!

[Click here for coins game](#)

The website should look like this.

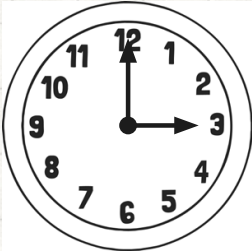

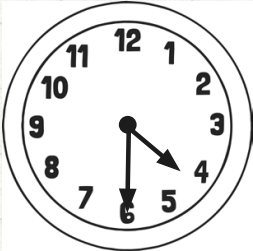

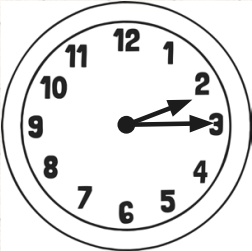

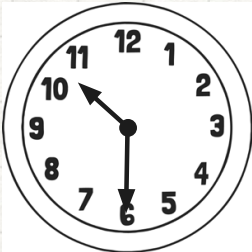

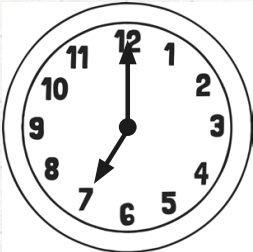

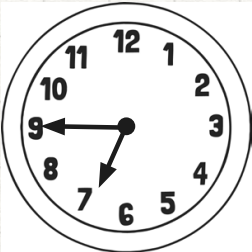

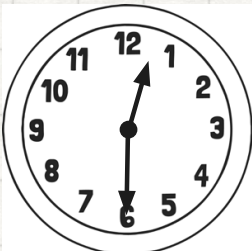

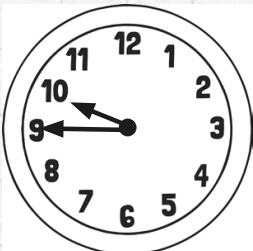

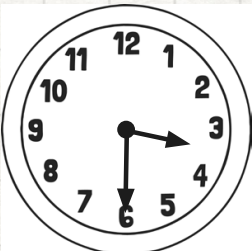

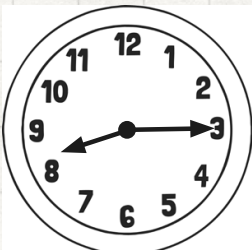

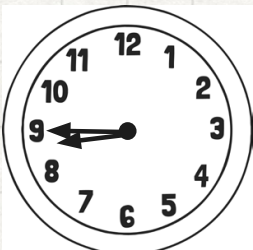

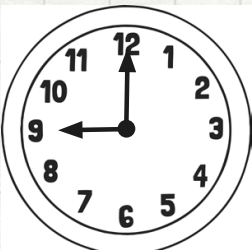

First click on the European flag to make it euros.

Then enjoy any of the games!

WEDNESDAY

On your page write down what time each clock is showing!

 _____	 _____	 _____
 _____	 _____	 _____
 _____	 _____	 _____
 _____	 _____	 _____

WEDNESDAY

On your page write down what time each digital clock is showing!

Now it's your turn to draw some clocks! Draw 5 circles on your page and fill in the numbers 1-12 to make your clocks.

Now fill in the hands to show these times:

1. Half past ten
2. Two o'clock
3. Quarter past five
4. Half past nine
5. Twelve o'clock

THURSDAY

Let's start the day with a game! Click the link below:

[Click here for ordering game](#)

The website should look like this.
Try any of the games on the left-hand side!

THURSDAY

1. How many Wednesdays are there in July?
2. How many Sundays are there in July?
3. Tom's birthday is on the 20th July. What day is it?
4. Tom had his party two days after his birthday. When was his party?
5. What day is: a) 2nd July? b) 15th July? c) 26th July? d) 1st August?

THURSDAY

On your page put these jugs in order from least full to most full:

Next write these numbers in ascending order (getting bigger):

Now order these times from shortest to longest:

FRIDAY

Figure it out Friday!

1. In the library there are 54 science books on the top shelf and 25 science books on the bottom shelf. How many science books are there altogether?
2. There are 152 books about animals. Ms. Troy's class took out 44 animal books and Ms. Fox's class took out 39 animal books. How many are left?
3. 64 books were returned on Friday morning and 87 books were returned in the afternoon. How many books were returned on Friday altogether?
4. There are 38 sports books on the top shelf and 27 on the bottom shelf. Mr. Morris borrowed 46 sports books for the school. How many are left in the library?

FRIDAY

Sarah wants to shade in $\frac{1}{4}$ of this shape. How many sections should she shade?

What fraction of the buttons are blue?

FRIDAY

Mr. Morris bought new paintbrushes for the school.

He wants to divide these brushes equally between 2 classes.
How many brushes does each class get?

FRIDAY

Take down the sums and fill in the missing numbers.
Your job is to make each sum equal to 57!

$$40 + \square$$

$$30 + \square$$

$$\square + 37$$

$$57 =$$

$$17 + \square$$

$$\square + 10$$

$$50 + \square$$

Well done for finishing your
maths work!

Enjoy your weekend everyone!

Well Done

You Snailed It!

WHALE DONE!
