# WARM UP GAMES

<https://mathsframe.co.uk/en/resources/resource/117/telling-the-time-in-words>

This game is based on time. Try level 1 (read the time to one hour) first and then level 2. An untimed game would be best to begin with.

<https://mathsframe.co.uk/en/resources/resource/549/Addition-Mini-Maths-Golf>

This is an addition game. Begin with adding numbers up to 10 and then 20 or click Year 1.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Begin with addition within 20. Children could also try subtraction (take away) within 20 if they wish.

# Monday

Find the two numbers in each bubble that add to make 17.

Example:  $15+2 = 17$

## Monday
